## **CHILD PROTECTION POLICY.**

### **Introductory Statement.**

The staff of Scoil Fhionnbarra drafted the following policy during their school development planning day on March 10<sup>th</sup> 2008.

### **Rationale.**

The Board of Management of Scoil Fhionnbarra has adopted the Department of Education and Science Guidelines and Procedures for Schools in relation to Child Protection and Welfare. The policy is an outline of how Scoil Fhionnbarra proposes to implement these guidelines in order to ensure the protection and welfare of all children attending the School.

### **Relationship to Characteristic Spirit of the School.**

Scoil Fhionnbarra seeks to help the children to grow and develop into healthy, confident, mature adults, capable of realising their full potential as human beings. We strive to create a happy, safe environment for the children, where they feel secure, knowing that if they have concerns, they will be listened to with understanding and they will be acted on.

### **Aims:**

1. To raise awareness of child abuse among all school staff (including Teachers, SNA's Caretaker, Secretary etc.), namely, emotional, physical, sexual abuse and neglect.
2. To put in place clear procedures for all school personnel dealing with suspicions and allegations of child abuse.
3. To identify other policy areas which need to be amended in light of the 'Child Protection Guidelines', e.g. School Ethos, Enrolment, Discipline and Bullying policies.
4. To identify curricular content and resources that contribute to the prevention of child abuse and to enable children to properly deal with abuse if it occurs.

### **Guidelines.**

The Guidelines are laid out as follows:

- 1.0 Appointment of a Designated Liaison Person (DLP)
- 2.0 Roles, Responsibilities and Guidelines

## A. Reporting

In the event of receiving a complaint or suspicion re an employee:

- i. The DLP will immediately inform the Chairperson.
- ii. He/she will seek a written statement of the allegation from the person/agency making the allegation. Parents/Guardians may make a statement on behalf of the child.
- iii. The DLP may seek advice from the relevant Health Board and will take responsibility for reporting, based on this advice.
- iv. If the DLP, consultation with the Health Board, decides that this matter is not for reporting, he/she must inform the Chairperson. They must then inform, in writing, the person or agency making the allegation, of the reasons for this decision. If this person or agency still has concerns, they are free to consult with or report to the relevant Health Board or Gardai on an individual basis. The provisions of the Protection for persons reporting Child Abuse Act 1998 apply, once they report reasonably and in good faith.
- v. If the DLP, following consultation with the Health Board decides that this matter is for reporting he/she should inform the Chairperson, who should proceed in accordance with the procedures in the Child Protection Guidelines (1999 pg. 16).
- vi. The DLP/Deputy DLP completes a standard reporting form as comprehensively as is possible.
- vii. When the Chairperson becomes aware of an allegation of abuse he/she will always seek legal advice and base his/her response on this advice.
- viii. He/she will privately inform the employee of the fact and nature of the allegation and whether or not it has been reported by the DLP to the Health Board. (Refer to 4.2-4.3 pg. 16 of Child Protection Guidelines and Procedures (DES 2001) ). The Chairperson has a duty to afford the employee fairness and due process – he/she is entitled to details and a copy of the written allegation, to advice and representation and an opportunity to respond to the Board within a week.

## B. Responding

- i. When the Chairperson becomes aware of an allegation of abuse, he/she will always seek legal advice and base his/her response to this advice.
- ii. The Chairperson will consider whether there is any risk to pupil's safety. If the Chairperson considers that there is a risk – he/she may require the employee to take administrative leave. If unsure the chairperson will consult the Health Board /Gardai.

- iii. If administrative leave has been invoked, the Chairperson will inform the DES. The Health Board (in some cases the Gardai) may also be notified in accordance with legal advice received.
- iv. Once it is deemed necessary by the DLP and Chairperson to make a report (after receiving advice from the Health Board) the Chairperson will convene and inform a meeting of the BOM as soon as possible.
- v. Where the alleged abuse has take place within the school, or relates to the abuse of pupils of the school, by school employees outside of school time, the BOM will investigate the matter. They will convene a further meeting, once the relevant information has been gathered. At this meeting the BOM will consider in detail:  
The allegations made and their source,  
the advice give by relevant authorities  
and the written responses of the employee.
- vi. At this meeting also  
The person/agency who is alleging the abuse by the school employee should be offered an opportunity to present his/her case to the BOM and may be accompanied by another person. Parents/guardians may act on behalf of child.  
The employee should also be afforded an opportunity to present their case and may also be accompanied.
- vii. The BOM must deal with the matter sensitively and the employee must be fairly treated.
- viii. The BOM will make a decision on action, if any, based on their investigation and will inform the employee of this in writing. They will also inform the DES of the outcome, if the employee has been absent on administrative leave.
- ix. Where it is not possible for the BOM to conduct an enquiry into allegations (e.g. where abuse has occurred in past employment, or where the employee is undergoing investigation by relevant authorities), the Chairperson will act on advice of authorities. The Chairperson will maintain close contact with the Health Boar and receive reports and records from them where appropriate.

## 2.2 Role of the Staff Member (to include Teachers, SNA's Caretaker, Secretary etc.)

- (a.) It is the responsibility of all teachers and staff members to familiarise themselves with the Children First National Guidelines for the Protection and Welfare of Children (1999) especially.  
Chapter 3 - Definition & Recognition of Child Abuse  
Chapter 4 - Basis for Reporting & Standard Reporting Procedures.  
Appendix 1 - Signs and Symptoms of Child Abuse.

- (b.) Guidelines for teachers and staff members in handling....
1. Disclosures from children
    - a. Where a child discloses alleged abuse to a staff member, the person receiving that information should listen carefully and supportively. Great care must be taken not to abuse the child's trust. This should not be a formal interview. The following advice is offered:
      - Listen to the child.
      - Do not ask leading questions or make suggestions to the child.
      - Offer reassurance but do not make promises.
      - Do not stop a child recalling significant events.
      - Do not over-react.
      - Confidentiality should not be assured**- explain that further help may have to be sought.
      - Record the discussion, accurately noting:
        - What, where and when?
        - Descriptions and possible sketches of physical injuries.
        - Explanations of injuries using direct quotations if appropriate.
        - Retain the record securely.
    - b. The staff member should obtain only necessary relevant facts. It is not the responsibility of school personnel to investigate allegations of abuse.
    - c. The DLP should then be informed and given relevant records.
    - d. If the suspected abuser is the DLP then the suspicion and any records will be passed to the Chairperson who will proceed as per guidelines.
  2. Suspicions of Abuse:
    - (a.) Staff members who suspect abuse should refer to Children First National Guidelines for the Protection and Welfare of Children (1999) especially:
      - Chapter 3: Definition and Recognition of Child Abuse.
      - Chapter 4: Basis for Reporting and Standard Reporting Procedures.
      - Appendix 1: Signs and Symptoms of Child Abuse.

- (a.) The DLP acts as a liaison with outside agencies, Health Boards, Gardai and other parties with child protection concerns.
- (b.) The DLP will inform all school personnel of the availability of the Children First Guidelines in the school. He/she will photocopy and circulate to all staff Chapters 3 & 4 & Appendix 1 of these guidelines and advise on good practice.
- (c.) The DLP will be available to staff for consultation regarding suspicions or disclosures of abuse. He/she will keep records of these consultations.

#### Guidelines for the DLP in handling reported concerns and disclosures.

- (a.) Where the DLP/Deputy DLP have concerns about a child, but are not sure whether to report the matter to the Health Board, they should seek appropriate advice. To do this the DLP/Deputy should make informal contact with the assigned (on duty) Social Worker. The DLP/Deputy in this case, should be explicit that he/she is requesting advice and not making a report. If advised to report the matter, the DLP will act on that advice.
- (b.) A report will then be made to the Health Board by the DLP/Deputy in person, by telephone or in writing. In the event of an emergency or non-availability of Health Board staff, the report should be made to the Gardai. The DLP should also report the matter to the Chairperson of the BOM, who should then follow the procedures as outlined in Chapter 4 (Section 4.3) of Children First National Guidelines for the Protection and Welfare of Children (1999).
- (c.) A standard reporting form is completed by the DLP/Deputy as comprehensively as possible (See Appendix 1).
- (d.) Parents/guardians will normally be informed that a report is being made. It may be decided that informing the parent/carer is likely to endanger the child or place the child at further risk. The decision not to inform the parent/carer should be briefly recorded together with the reasons for not doing so.

- (e.) When the allegation is against the DLP, the chairperson then assumes responsibility for reporting the matter to the Health Board and filling in the standard reporting form.
- (f.) Where there are allegations or suspicions of Peer Abuse the DLP will follow the same procedures
  - Parents of all parties will be notified and the DLP will inform the Chairperson.
  - Principal and Class Teachers will make arrangements to meet separately with all parents, to resolve the matter.
  - The School will make arrangements to minimise the possibility of the abusive behaviour recurring.

### 3.0 Child Protection Meetings (Case Conferences):

- (a.) A request is made from the Health Board through the DLP who should consult with the Chairperson of the BOM of the school. The Chairperson may seek clarification through the DLP, as to why the attendance of the school employee is necessary and ascertain who else will be present.
- (b.) The school employee may complete a report for the meeting/conference. (See Appendix 3).
- (c.) The school employee will be advised if children/parents/guardians are going to be present. The school employee may contact the Chairperson of the Child Protection Meeting for advice.
- (d.) The school employee may keep a child's behaviour under closer observation, if requested to do so. This may include observing the child's behaviour, peer interactions, school progress or informal conversations.
- (e.) In all cases, individuals who refer or discuss their concerns about the care and protection of children with Health Board staff, should be informed of the likely steps to be taken by the professionals involved. Where appropriate and within the normal limits of confidentiality, reporting staff will be kept informed about the outcomes of any enquiry or investigation following on from their report.
- (f.) Teachers attending a child protection meeting/case conference should familiarise themselves with the protocol outlined on pgs. 149 – 155 of Children First National Guidelines for the protection and Welfare of Children.

## **5.0 Curriculum Implications**

### **Introduction**

In Scoil Fhionnbarra all children will be cherished and in fulfilling the general aims of the Revised Primary Curriculum we will.

- Enable the child to live a full life as a child and to realise his or her potential.
- Enable the child to develop as a social being through living and co-operating with others and so contribute to the good of society.
- Prepare the child for further education and lifelong learning.

In endeavouring to realise these aims we will create a positive school climate which is open, inclusive, respectful, fair, democratic and tolerant and which seeks to support the holistic development of all children and all adults working with children. The strategies we will use to create this environment are detailed in our SPHE Plan and will involve:

- Creating a health promoting physical environment.
- Enhancing self-esteem.
- Fostering respect for diversity.
- Building effective communication within the school.
- Developing appropriate home-school communication.
- Catering for individual needs.
- Developing democratic process.
- Fostering inclusive and respectful language.

We strive to ensure that our school will be physically and emotionally safe and we will deliver the curricular content of our SPHE programme with a view to giving our children the protective skills of self-esteem and assertiveness. The No-Blame approach will be adopted in our Anti-Bullying policy. Co-operative interpersonal skills will be developed through working in pairs and working in groups. Older children will be encouraged to work positively with conflict and negotiation and consensus building skills developed.

## **Junior and Senior Infants**

Infant teachers will teach content objectives as laid out under the ten strand units in our SPHE programme. They are:

- Self Identity.
- Taking care of my body.
- Growing and changing.
- Safety and Protection.
- Making decisions.
- Myself and my family.
- My friends and other people.
- Relating to others.
- Developing citizenship.

After discussion teachers felt that these strand units would enable children to develop assertiveness, body integrity, skills relating to self-care, respect for others, identification of feelings and skills necessary to recognise and tell of abuse. The SPHE programme would be supported, using the Misneach resources, our Alive-O programme and other resources.

### **1<sup>st</sup> and 2<sup>nd</sup> Class**

Again teachers agreed that implementing our SPHE programme as laid out under the ten strand units named above (Junior and Senior Infant section) would enable the children to develop skills, knowledge and attitudes pertaining to self-esteem, esteem for others and the environment and skills pertaining to self-care and disclosure. Healthy eating, positive attitudes to drug use and anti-bullying awareness will be introduced.

The SPHE programme will be supported by using the Misneach resources, our Alive-O programme, HSE materials and Stay Safe Programme.

### **3<sup>rd</sup> and 4<sup>th</sup> classes**

Our SPHE programme will again be implemented according to the ten strand units. Knowledge, skills and attitudes developed in previous classes will be built on. Children will be enabled to develop intra-personal skills and inter-personal skills. As children mature they will be challenged to develop their decision-making skills. They will be encouraged to develop self-protection skills pertaining to smoking and alcohol. Peer pressure and the influence of the media will also be examined. The development of self-esteem, esteem for others, assertiveness, awareness of feelings and skills around self-protection and disclosure will underpin our teaching

Our SPHE programme will be supported by the use of Misneach resources, Prim-Ed anti-bullying materials and RSE materials.

### **5<sup>th</sup> and 6<sup>th</sup> classes**

Our SPHE programme will be implemented according to the curricular objectives as laid out under the ten strands in the SPHE Revised Primary Curriculum. Skills, knowledge and attitudes developed in earlier classes will be enhanced. Children will continue to develop self-awareness and positive attitudes to themselves, others, their environment and the wider world in which they live. Self protection and respect for others will be fostered, decision making skills developed, peer influence and media bias examined. Knowledge of drugs and positive attitudes to drug use will be further developed. An annual visit by a local Garda to this class group is organised to discuss road safety and drug abuse. Children will be enabled to develop good group building skills anti-bullying awareness and conflict resolution skills. Self-protection will be emphasised and protection of younger, less able people. Positive attitudes to sexuality will be developed and respect for self and others fostered (see RSE policy). This will be supported by a visit from a HSE Nurse once a year.

The SPHE programme will be supported by the use of the Misneach materials and RSE resources.

### **Success Criteria:**

**We will evaluate the success of this policy using the following criteria:**

- Delivery and participation by relevant staff in training.
- Delivery of the SPHE curriculum.
- Resources to support the delivery of the SPHE.
- Assessment of these procedures by participants following a child protection case.
- Feedback from all staff.

### **Time frame for Implementation**

These procedures will be implemented following ratification by the BOM.

### **Time frame for Review**

At the first staff meeting of every year the DLP will remind all teachers of the guidelines and copies of Chapter 3 & 4 & Appendix 1 of The Children First Guidelines will be given to those who require them.

**A review will be conducted based on the criteria above, following any and all incidents when the guidelines are used.**
